

# ELIT Profitest Intro

## Technical description

### Advantages:

Product name/ Art.nr/ GTIN	ELIT Profitest Intro/ 10150010/ 7070811207106
According to:	---
Indication	Graphic
Limit value indication	Yes
Isolation resistance measurement	Yes
Isolation resistance measurement with ramp function	Yes
Resistances of isolating floors and walls	Yes
Low resistance measurement	Yes
Selective grounding measurement	Yes
Loop resistance/impedance measurement	Yes
Loop measurement without RCD/FI release	Yes
Mains internal resistance measurement	Yes
RCD/FI testing	Yes
Curve shape at RCD/FI testing	For earth leakage switch type A, F and type B, B+
RCD/FI testing with rising residual current	Yes
Field rotation test	Yes
Structured measured value memory	Yes
Interface	Yes
