

# ELIT LKZ-720

## Technical description

### Advantages:

| Product name/ Art.nr/ GTIN               | ELIT LKZ-720/ 10310008/ 7070811211424 |
|------------------------------------------|---------------------------------------|
| According to:                            | ---                                   |
| Transmitter                              | Yes                                   |
| With receiver                            | Yes                                   |
| Function cable localisation              | Yes                                   |
| Function cable sheath fault localisation | No                                    |
| Function marker localisation             | No                                    |
| Function marker programming              | No                                    |
| With accessories                         | Yes                                   |
| With case/bag                            | Yes                                   |
| With earth contact frame                 | Yes                                   |
| With coupling pliers                     | No                                    |
