

ELIT E-100TKS test lead

Measuring cable drum with black cable, 4mm connection and large crocodile clamp at the end.

Technical description

ELIT E-100TKS is a small measuring cable drum with 100 meters of black measuring cable. Robust detachable crocodile clamp at one end. Connection to instrument via the 4mm terminal mounted on the side of the drum. Excellent for eg continuity measurement or earth resistance measurement, as well as for other measurements where there is a need for long measuring cable lengths. Easy winding of wire, and one preserves wire better

Advantages:

For continuity measurement and earth resistance measurement
4mm terminal for connection with standard measuring leads from instrument
Replaceable crocodile clamp on the end of the cord.

Product name/ Art.nr/ El.number/ GTIN	ELIT E-100TKS test lead 100m/ 8001165/ 1070016/ 7070810000586
According to:	---
With case/bag	No
Plug in technique	4 mm safety plug
Material insulating material	Polyvinyl chloride (PVC)
Max. working voltage	400 Volt
Current carrying capacity	1 Ampere
Measuring circuit category	CAT III
