

Telescope Probe 94-172cm

Measuring probe with telescope from 92cm to 172cm with 4mm connection.

Technical description

Measuring probe with adjustable length between 92 cm and 172 cm with 4mm terminal for connecting cable. Used for, among other things, continuity measurement in ceiling luminaires.

Advantages:

Product name/ Art.nr/ El.number/ GTIN	Telescope Probe 94-172cm/ 10340165/ 1120799/ 7070811204785
According to:	---
Plug in technique	4 mm
Material insulating material	Other
Max. working voltage	600 Volt
Current carrying capacity	1 Ampere
Measuring circuit category	CAT IV
